Gov sec school, Ajmer
India
07/2003 to 04/2005

CORE SKILLS

Python (Pandas, NumPy, Scikit-learn),
SQL (PostgreSQL), Machine Learning,
Deep Learning, NLP, Generative AI,
Retrieval-Augmented Generation (RAG),
Data Analysis, Data Pipelines, Data
Visualization, Anomaly Detection,
Agile/Scrum, Stakeholder
Communication

Language English

(Fluent) German

(A2, (Working
towards B1)

Hindi (Native)

SUMMARY

Data and AI professional with 10 years of experience in financial services and data-driven technology solutions. Experienced in Python, SQL, machine learning, and AI automation systems including RAG-based LLM applications. Built data pipelines, anomaly detection models, and analytics dashboards supporting large-scale financial datasets. Currently pursuing MSc in Big Data and Artificial Intelligence in Germany while seeking full-time roles in Data Science, Data Analytics, or AI Automation across Europe.

PROFESSIONAL EXPERIENCE

AI / Data Science Intern

Xynaptics, Sweden | June, 2026 - Present(Sep, 2026)

- Developing an AI-driven Enneagram application using vibe coding and AI-assisted development tools.
- Designing and implementing application features through iterative prompting, rapid prototyping, testing, and refinement.

Manager

Motilal Oswal Financial Services Ltd, Mumbai, India, 2017-2025

- Developed an AI investor chatbot using RAG, PGVector, and OpenAI LLMs, enabling automated responses across 1,000+ investor documents and reducing manual support queries by 35 percent.
- Automated NAV calculation and exception monitoring using Python and SQL, reducing manual processing time by 60 percent and improving reporting accuracy for daily portfolio valuations.
- Analyzed 5M+ financial transactions using Python (Pandas, NumPy) to identify anomalies and support portfolio performance analysis.
- Built AI driven reporting dashboards analyzing portfolio performance across 50+ assets, reducing report preparation time by 50 percent.

Consultant

Jain V & Co, Mumbai, India 2016-2017

Consultant

ICICI Prudential AMC LTD, Mumbai, India 2015-2016
